Dear Sir/Madam,

Greetings from **Parma IT Solutions**.

This is to formally confirm that **Parma IT Solutions** has approved and allocated the sponsored project titled **“Hospital Management System”** to a team of **six (06) students** as part of their **Software Engineering course curriculum**.

The project is being developed under the academic–industry collaboration framework, and the students will be working under the technical guidance and mentorship of our organization.

The following students have been officially selected for this sponsored project:

PRN	Name	Email
202301040001	Kiran Nandi	nandikiran15@gmail.com
202301040002	Pranav Walunj	pranavwalunj6@gmail.com
202301040107	Vaishnavi Bansode	bansodevaishnavi25@gmail.com
202301040108	Ravindra Nagtilak	ravinagtilak512@gmail.com
202301040226	Aditya Joshi	adij7499@gmail.com
202402040019	Disha Satpute	dishasatpute44@gmail.com

The project will be carried out in coordination with the students’ academic schedule and will adhere to the guidelines prescribed by their institution. Necessary technical support and periodic reviews will be provided by Parma IT Solutions during the project duration.

This sponsored project is purely academic in nature. No fees, charges, honorarium, stipend, or monetary payment of any kind are required to be paid by the students to Parma IT Solutions. Likewise, Parma IT Solutions shall not provide any monetary payment, stipend, or financial remuneration to the students for this academic project.

This email is issued upon request for **official academic submission** and may be treated as a **valid confirmation from the industry partner**.

For any further verification or clarification, please feel free to contact us.

Warm regards,

Mayur Parma
